Authorized signature on account: _____ **Date:** _____

The Benefits of Automatic Payment

St. John's offers the convenience of automatic pledge payment through a secure direct bank withdrawal. This is a confidential method of payment between your bank and St. John's. No third-party providers are involved.

The benefits to you and to St. John's:

- Your contribution is always here, even when you cannot be.
- Removes the task of remembering to make your gift.
- Assures a private, fast, and accurate transaction.
- Simplifies the weekly offertory count job.

To set up or renew your automatic payments, complete and return to the parish office the reverse side of this paper along with your pledge card (also included in the FCP packet). Renewal authorization is required annually.

If you need additional help, please contact Denise Isenbarger, St. John's Bookkeeper, denise@sjec-midland.org or (989) 631-2260.

Interested in online giving? We partner with ACS Technologies and Vanco Services to offer this secure, convenient way to make contributions toward St. John's ministries. For many, this method of giving simplifies the process and allows giving from any location with internet access. Click on the 'Give Online' link located in the upper right of our homepage. Upon entering your gift amount and email, you'll get to choose "Create Account" (site will remember your information) or "Continue as Guest" (requiring you to re-enter billing info and address on future visits). A drop-down box allows you to "select a fund" to designate whether your gift is toward your pledge or other.
